

**3rd International Conference on the
Decommissioning of
Offshore & Subsea Structures**

DECOM 2022

Call for Papers

About the Conference

The conference aims to explore the recent trends and innovative technologies in use in the decommissioning of offshore and subsea structures. This conference will feature high quality papers which will draw on the experiences of leading projects to showcase new innovations in technology for the future of offshore and subsea industries with the particular focus on their decommissioning. DECOM 2022 will be a focused conferences with some 50 papers and 100 participants, strongly centred on its themes. It will bring together a 50/50 mix of international-ly leading academics and industry, facilitating close interactions between the two sectors.

Conference Themes

- Decommissioning options associated with topsides, steel jackets, concrete substructures and pipelines
- Understanding the techniques of cutting, lifting, and towing of installations
- Technical and environmental risk assessment
- Asset late life extension and integrity
- Retrofitting and performance monitoring
- Identification and planning of the key steps in the decommissioning process
- Re-use of decommissioned offshore and subsea structures
- Well abandonment and cleaning techniques
- Oil spill management
- Well decommissioning-a risk-based approach
- Fisheries & Marine Mammals
- Treatment and disposal in the decommissioning process
- Marine transportation
- Commercial strategies for decommissioning of offshore and subsea structures
- Cost estimation of the decommissioning process
- Environmental impact assessment process
- Investment in innovation and new technologies in a tight economy
- Marine accidents and safety requirements
- Health and safety considerations
- Discussion of relevant legislation and convention

Key Dates

Deadline of Abstracts:	28 November 2021
Full Payment:	28 February 2022
Full Paper:	28 March 2022

Technical Advisory Panel

Dr. Alireza Maheri, University of Aberdeen, UK
Prof. Ana Ivanovic, University of Aberdeen, UK
Dr. Andres Oliveres, Western Norway University of Applied Sciences, Norway
Dr. Arun Dev, Newcastle University in Singapore, Singapore
Prof. Bernt Leira, NTNU, Norway
Dr. Caroline Roberts, Haritonov, Astrimar, UK
Mr. Damir Horvat, State Gov. of South Australia, Australia
Prof. David Patterson, University of St. Andrews, UK
Ms. Dawn Robertson, Bureau Veritas, UK
Dr. Dimitris Konovessis, Singapore Institute of Technology, Singapore
Mr. Henning Gramann, GSR Services, Germany
Dr. Jon Christian Svendsen, Technical University of Denmark, Denmark
Prof. K. Sivaprasad, CUSAT, India
Mr Kenneth O'Rosen, AOGV, UK
Dr. Kirsten Oliver, Worley Technical Consulting, UK
Dr. Mandy G Ebojie, City University of Applied Science, Germany
Prof. Marcus Bentin, University of Applied Sciences Emden/Leer, Germany
Dr. Matthew Allen, Subcon Blue Solutions, Australia
Mr Mirko Kruse, Hamburg Institute of International Economics, Germany
Dr. Morteza Haghghat Sefat, Heriot-Watt University, UK
Dr. Noor Amila Wan Zawawi, Universiti Teknologi PETRONAS, Malaysia
Mr. Peter Oliver, Chevron Energy Technology, UK
Dr. Ramsay Fraser, BP, UK
Prof. Richard D Neilson, University of Aberdeen UK
Prof. Sam David Newman, Independent Consultant
Dr. Steph Kilt, PDI UK
Dr. Stephan Kotzur, University of Applied Sciences Emden/Leer, Germany
Mr. Steve Andrew, ABB, UK
Prof. Susan Gourvenec, University of Southampton, UK
Dr. Yakuba Abdul-Salam, University of Aberdeen, UK

Organising Committee

Registration Fees

Professor Purnendu Das, ASRANet Ltd, UK

Full Registration: £400

Dr Piotr Omenzetter, University of Aberdeen, UK

Student Registration: £300

CONFERENCE VENUE

JURY'S INN ABERDEEN

GUILD ST, ABERDEEN

AB11 5RG

“You’ll find our Aberdeen hotel right at the heart of the city on Guild Street, just a short stroll from the train and bus stations, and close to the ferry terminal. So whether you’re staying for a business conference or a relaxing weekend away, we’re close to everything you need, including Union Square shopping centre which is right next door. After all, we know that location is everything.”

NETWORKING SESSION—WINE AND CHEESE

28 April 2022, 17:00—18:30
